AODA – Integrated Standards Policy and Multi-Year Accessibility Plan

**Prepared December 2013
Revised December 2014**

Introduction

The Canadian Mental Health Association – Halton Region Branch (CMHA-HRB) supports the rights of all people to enjoy equal opportunity and to participate fully in all activities of the Agency. The right of persons with disabilities to equal treatment, without discrimination in accordance with the Human Rights Code, is addressed in a number of Ontario statutes and regulations. CMHA-HRB is committed to removing existing barriers and ensuring that no new ones are created.

Ontarians with Disabilities Act, 2001 (ODA)

In December 2001, the Ontarians with Disabilities Act, 2001 (ODA) was passed into law. Its purpose was to improve opportunities for people with disabilities and to provide for their involvement in the identification, removal and prevention of barriers to their full participation in the life of the province.

One of the requirements under the ODA is that Ontario government ministries, municipalities, hospitals, school boards, colleges, universities, and public transportation organizations develop annual accessibility plans to make policies, practices, programs, services and buildings more accessible to people with disabilities. The plans must be made available to the public.

Accessibility for Ontarians with Disabilities Act, 2005 (AODA)

In June 2005, the Ontario government took a strong stand on accessibility when it passed the Accessibility for Ontarians with Disabilities Act (AODA) into law.

The AODA lays out a comprehensive road map to make Ontario accessible to all people through the development, implementation, and enforcement of new, mandatory accessibility standards for some of the most important aspects of people's lives.

Purpose of the Accessibility Plan

The purpose of the Accessibility Plan is to improve opportunities for persons with disabilities and to provide for their involvement in the identification, removal, and prevention of barriers to their full participation in the activities of CMHA-HRB.

Accessibility Plans and Policies for CMHA-HRB

This 2014-21 accessibility plan outlines the policies and actions that CMHA-HRB will put into place to improve opportunities for people with disabilities.

Statement of Commitment

CMHA-HRB is committed to treating all people in a way that allows them to maintain their dignity and independence. We believe in integration and equal opportunity. We are committed to meeting the needs of people with disabilities in a timely manner, and will do so by preventing and removing barriers to accessibility and meeting accessibility requirements under the Accessibility for Ontarians with Disabilities Act.
